Russian Cultural Artifacts
Worksheet for South Jr. High Social Studies (7th Grade - McFall)

There are eight exhibits of Russian artifacts. Each group of objects represents an important facet or part of Russian culture. As a group, you are to examine the objects of two exhibits and try to determine what the objects can tell you about Russian culture.

A. Exhibit Number:  __________
   What facet of Russian culture do these objects represent?

B. Exhibit Number:  __________
   What facet of Russian culture do these objects represent?
