

# WATSON LIBRARY: A CENTURY of STORIES

*Tell us yours.*

You remember your favorite study spots, group projects gone wrong, late night cram sessions, the librarian who saved your research, maybe even meeting the love of your life. For generations, so much of student life and success as a Jayhawk happened in Watson Library.

Help us celebrate the first century of this beloved campus icon in 2024.

*Share your stories to honor the  
100<sup>th</sup> birthday of Watson Library.*
